About Us

We are the Students' Association of NorQuest College (SANQC) and we are Here For You! We are committed to advocating on behalf of all students. Governed by a Students' Council - elected by you - we work hard to ensure college policies are fair for everyone. We are here to be your voice; to advocate on the issues that affect all students at NorQuest College. Your Students' Association fees help to fund programs such as the Volunteer Program itself!
